INTELLIGENT USE OF SPACE™

# Bulk&Roll™

Exceptional hospitality begins with elevated storage.

Montel's mechanical-assist mobile system combines the space-saving power of BULK&ROLL™ with the versatility of the Light-Duty BULKRAK™ to deliver a cost-effective, high-density luggage storage solution for hotels and resorts. It helps staff store more bags, access them faster, and reclaim valuable space – all while maintaining the clean, cohesive aesthetic your property is known for.

## Features & Benefits

## MORE SPACE. SAFER LUGGAGE. BETTER ORGANIZATION. HOSPITALITY THAT SIMPLY WORKS BETTER.
